EDUCATION

Stanford University

Expected June 2027

Bachelor of Science - Design; Bachelor of Arts - Political Science - GPA: 3.8/4.0

- **Relevant Coursework:** Designing for Artificial Intelligence, Visual Thinking, Digital Design Principles and Applications, Design Sketching, History and Ethics of Design, Introduction to Print and Type Design, Programming Methodology

University of Oxford, Magdalen College

Sep 2025 – Dec 2025

- *Study Abroad — Politics, Philosophy and Economics (PPE)*

PROFESSIONAL EXPERIENCE

Replit — Campus Leader | Stanford, CA

Jun 2026 – Present

- Run hands-on workshops and events teaching peers to build software and high fidelity designs with AI tools
- Collaborate directly with Replit's team and test and refine early-access features to ship publicly
- Grow and support a campus community of student developers through social media marketing and personal outreach

Stanford Graduate School of Business — UI/UX Designer | Stanford, CA

Mar 2026 – Present

- Delivered 20+ high-fidelity Figma screens for Shire, a disability benefits-access platform, leading UX design from needfinding through WCAG 2.1 AA-compliant prototyping and iterative usability testing
- Uncovered systemic barriers in disability benefits access by analyzing ~10 user interviews with veterans and U.S. Dept. of Veterans Affairs staff, translating findings into structured design requirements for Shire's core workflow
- Iterated from wireframes to testable prototype across 3 core features by facilitating weekly cross-functional design critiques with Stanford GSB students

Stanford Impact Labs for Equitable Access to Education — Research Assistant | Stanford, CA

Mar 2026 – Present

- Reduced cognitive load for non-technical users by designing conversational UI and AI tool interaction patterns for an education equity research platform, applying visual design principles across interface components
- Ran 16+ usability testing sessions and A/B evaluations of AI tool interactions, producing design insights that shaped the information architecture of zoning policy analysis dashboards
- Translated qualitative research on lottery-based school choice into an information architecture framework and UI/UX brief delivered to SFUSD stakeholders

The Stimson Center — South Asia Intern | Washington, DC

Jan 2026 – Mar 2026

- Produced Excel-powered data visualizations and managed end-to-end article publication pipeline across WordPress and 3+ cross-platform media channels during a 3-month Washington, DC policy engagement

Hoover Institution — Stanford Civics Initiative | Stanford, CA

Jun 2025 – Sep 2025

- Designed a Civic Thought & Practice Program framework by auditing 85+ peer institution curricula and synthesizing findings into a structured program proposal for Stanford's Center for Revitalizing American Institutions
- Validated program viability by conducting stakeholder interviews and surveys across Stanford and the broader public, distilling insights into a data-driven brief for institutional leadership

PricewaterhouseCoopers (PwC) — Tax and Strategy Intern | Dhaka, Bangladesh

Jun 2024 – Sep 2024

- Ensured regulatory accuracy across 48 MNC, NGO, and national corporate audits; co-authored Destination Bangladesh, a foreign investment guide distributed to international partners

LEADERSHIP & VOLUNTEER EXPERIENCE

Gulshan Youth Club Pathshala — Educator | Dhaka, Bangladesh

Sep 2022 – Present

- Revitalized an underprivileged school serving 20+ students by securing long-term funding from community stakeholders and establishing a permanent teaching staff
- Designed and implemented a differentiated curriculum tailored to individual literacy levels, personalizing learning pathways for 20+ students aged 6–12

Stanford Mental Health Outreach (SMHO) — Vice President | Stanford, CA

Jan 2025 – Jan 2026

- Built a campus mental health awareness coalition spanning 50+ organizations by directing programming, marketing, and public events as Vice President of Stanford Mental Health Outreach

Amaderskin — Editor in Chief | Dhaka, Bangladesh

Jan 2021 – Jun 2024

- Grew Amaderskin to 3,400+ Instagram followers by leading a creative team of illustrators and writers and building a brand identity platform for gender equity advocacy in Bangladesh
- Generated charitable proceeds for gender equality organizations by brokering brand merchandise collaborations and directing a portion of sales toward partner charities

Additional Activities: Stanford Constitutional Law Center Undergraduate Fellow, Phi Kappa Psi, Oxford Philosophy Society, Magdalen College Rugby, The Addison Society, Stanford in Washington, Haas Center for Public Service — Otero

SKILLS
